## Moretele Local Municipality

### Background

### Moretele Local Municipality

(Tswana: Mmasepala wa Motseselegae wa Moretele;  
Tsonga: Masipala wa Moretele;  
Northern Sotho: Mmasepala wa Moretele  
Afrikaans: Moretele Plaaslike Munisipaliteit)  
is a local municipality within the Bojanala  
Platinum District Municipality, in the  
North West province of South Africa.

As of 2011, its population was  
approximately 180,000, a majority  
of whom speak Setswana as  
a first language.

#### Geography, History & Economy

Moretele Local Municipality is part of Bojanala Platinum  
District Municipality.

**MDB code: NW371**

Description: The Moretele Local Municipality is situated within the  
Bojanala Platinum District in the North West Province.

The municipality is located in an area called Moretele,  
which is situated far north of Pretoria.

It is located strategically to join four provinces,  
namely North West, Gauteng, Mpumalanga and Limpopo.  
It is the smallest of the five municipalities that make up the district,  
accounting for 8% of its geographical area.

The municipality comprises 26 wards, which are made  
up of 76 villages and plots.

Most of the villages are ruled by four traditional leaders (Dikgosi),  
who are recognised by law and represent their  
respective tribes/communities in council.

Moretele is the Setswana name for a river that runs through the area,  
namely 'Noka ya Moretele' (the Moretele River).

Area: 1 498km<sup>2</sup>

# BORAKALALO NATIONAL PARK

*North West Province*

## ABOUT BORAKALALO NATIONAL PARK

The beautiful Borakalalo National Park, just 60 kilometres north of Brits in the North West Province, boasts an incredible array of plant and animal life, as well as mile after mile of utter scenic splendour.

## DID YOU KNOW?

The name Borakalalo means "The place where people relax". This park covers an impressive area of 13 500 hectares, which includes open scrubby bush and gorgeous woodlands. The Moratele River flows through the park and is flanked by forests that flourish on its waters. These different habitat types mean that the wildlife species that live in them are equally diverse. This river leads to the Klipvoor Dam, and keen anglers will love spending the day sitting on the water's edge and trying their hand at catching carp, bream, barbel, and even the odd yellowfish.
